**\*All knives come with a Black Micarta® handle at the price listed below.** Bob keeps a selection of colored Micarta® on hand as well as natural materials such as bone, wood, or stag. Availability of material varies, and additional charges apply.

**\*Modifications** to fixed blades are also available (i.e., longer or shorter blade or handle lengths, convex or flat grinds, or additional finger grooves) for an additional charge.

**\*Double ground blades** can be sharpened on the top edge or left as a false edge whichever the customer chooses. We recommend that you check your state knife laws before deciding on a double edge knife. Call or e-mail us for more information.

\* Dozier Knives charges a **50% non-refundable deposit** on all custom orders (any non-standard order) that is due at the time of production. Dozier Knives reserves the right to refuse returns on all custom orders; a **15% restocking fee** will be charged for all returns for standard models.

**\*Dozier Knives does not keep any of the knives in stock. All knives are custom hand-made from orders. Please contact the office for the current turnaround time.**
